

Legend

— Neighbourhood Plan Area

 **Green Wedges** are proposed to protect land within these areas from development that may lead to separate places merging together. See policy 19

 **Site Allocations** are proposed to regenerate vacant sites and take a local lead in meeting housing requirements. See policy 7

 **Local Green Spaces** that are of particular local importance are proposed for designation. This means they are protected in a similar way to Green Belts. See policy 16

A new Town Centre Master Plan Report to enable and shape what happens next for this key area. See policy 9

Local Heritage is important and the plan identifies locally important heritage assets that are not listed, but important to our local heritage. See policy 21
